Technical Specification

Technical Specification

Overall Form Factor

- **Type:** Backless, armless upholstered or wooden bench.
- **Style:** Modern contemporary with a high-contrast design that combines an industrial, minimalist geometric base with a soft custom-made cushion.
- **Geometry:** Strictly rectangular footprint with sharp right-angle tailoring on both frame and cushion.

Frame and Base

- **Material/Profile:** Premium square-profile stainless steel construction with a brushed or polished finish.
- **Leg Design:** Two continuous open-rectangular sled-style legs featuring floor runners, vertical uprights, and horizontal supports.
- **Mounting:** Seat cushion mounted flush with the outer perimeter of the upper frame for a seamless transition to upholstery.

Seat and Upholstery

- **Cushioning:** Thick, flat-topped upholstered seat pad likely using high-density foam to preserve crisp shape and sharp corners.
- **Wooden-Seat:** Seating surface made of solid oak or alder to provide natural seating comfort.
- **Fabric/Color Palette/Pattern:** Wide range of fabric and color selections.
- **Stitching:** Tailored edge seams keep the fabric taut and aligned with the rigid geometry of the base beneath it.
