Bench No. 4

Shipping time	20 days
Number	BEN-F004-M-USL
Producer code	4-M-USL
Manufacturer	EMRA WOOD global

Product description

Product Overview and Key Features

- A functional and practical bench for your hallway, living room, bedroom, dressing room, bathroom, reception, and office.
- A refined combination of powder-coated metal legs with ball feet and an exposed solid wood seat frame — available in Alder, Ash, or Oak — creating a warm and elegant base for every interior.
- Bench No. 4 introduces the **Mixed Seat** — a unique combination of a solid wood Thin Board on one side and an

upholstered pad on the other. The customer can freely choose whether the board is positioned on the left or the right, making each bench a truly individual piece.

- Also available with a full upholstered seat, in both flat and tufted variants.
- An optional tall wall panel transforms the bench into a dramatic statement piece for any room.
- Each bench is produced according to customer requirements with precise workmanship directly from the manufacturer.
- Customize the leg finish, seat apron wood species and stain, upholstery fabric and color, seat type, and optional add-on elements.

By purchasing from **EMRA WOOD global**, you are choosing a non-prefabricated product made to your exact specifications. Every bench is tailored to your space and designed to reflect your individual requirements.

The bench is delivered fully assembled, so it is ready to use immediately.

Please note: due to the structural leg configuration, the maximum bench length is **140 cm**.

This product has additional options:

Technical Specification

Technical Specification

Overall Form Factor

- **Type:** Backless, armless bench with an exposed solid wood seat frame, powder-coated metal legs with ball feet, and a slim-profile flat upholstered seat.
- **Style:** Warm contemporary design — the exposed solid wood seat apron combined with the slender splayed metal legs and ball feet creates a refined, timeless silhouette. The reduced seat height creates a lighter, more airy silhouette — ideal for spaces where visual openness and a slender profile are priorities.
- **Geometry:** Rectangular seat profile; four individually splayed legs with ball feet create a stable, progressively wider stance from seat to floor.
- **Maximum Length:** Due to the structural leg configuration, the maximum bench length is **140 cm**.

Frame and Base

- **Leg Material:** Metal, powder-coated. Available in multiple finish colors including brass/gold, black, and other standard options.
- **Leg Design:** Four individually placed legs, each angled symmetrically outward from the seat edges, with a decorative ball foot at the base of each leg.
- **Seat Apron / Base Frame:** A visible solid wood frame surrounding the seat perimeter. Available in three wood species: **Alder**, **Ash**, or **Oak**. Stain color and finish are fully parametrized to match your interior.

Seat and Upholstery

- **Cushioning:** Slim-profile seat pad with high-density foam — lower cushion height than the standard variant for an understated visual weight.
- **Upholstery Style:** Smooth flat surface with clean, tailored edge seams.
- **Fabric / Color Palette:** Wide range of fabric and color selections from our collection.
- **Stitching:** Precision edge seams keep the upholstery taut across the full slim seat surface.
