Manufacturer	EMRA WOOD global

Product description

Product Overview and Key Features

- An elegant armchair with an exposed solid oak frame and a distinctive open curved backrest — a perfect blend of Scandinavian craftsmanship and timeless design.
- The solid oak frame is the defining visual element: natural wood grain, warm tone, and sculptural open armrest structure give the chair a light and refined character.
- Each chair is produced according to customer requirements with precise workmanship directly from the manufacturer.

-
- Customize the upholstery fabric, color, and oak stain finish to perfectly match your interior.

By purchasing from **EMRA WOOD global**, you are choosing a non-prefabricated product made to your exact specifications. Every chair is tailored to your space and designed to reflect your individual style.

The chair is delivered fully assembled, so it is ready to use immediately.

Please note that for sets of 4 or 6 chairs, additional delivery costs may apply depending on the destination country. Please contact our team to find out the exact shipping costs for your order.

Technical Specification

Technical Specification

Overall Form Factor

- **Type:** Solid wood armchair with an open curved arc backrest and separate upholstered seat pad.
- **Style:** Scandinavian mid-century modern — the exposed oak structure is the primary design statement, combined with a softly upholstered seat and backrest arc for comfort.
- **Geometry:** Open horseshoe-shaped backrest arc with splayed legs, creating a light and airy silhouette with strong visual character.

Frame and Base

- **Wood Species:** Solid **Oak** — chosen for its exceptional strength, pronounced natural grain, and warm honey tone.
- **Frame Structure:** Fully exposed solid oak frame comprising four splayed legs, open integrated armrests, and a sculptural curved backrest arc — all crafted as a single coherent structure.
- **Leg Design:** Four angled legs splayed outward for structural stability and a dynamic, light visual stance.
- **Oak Stain / Finish:** The oak frame can be finished in any stain color from our collection. Shade, tone, and intensity are fully parametrized to match your interior exactly. Natural, oiled, and lacquered finishes are also available.

Seat and Upholstery

- **Seat Cushion:** Separately upholstered round seat pad with a high-density foam core, providing firm yet comfortable support.
- **Backrest Arc:** The top curved arc of the backrest is upholstered on its outer surface, offering a soft contact point for the lower back while preserving the open frame aesthetic.
- **Fabric / Color Palette:** Wide range of fabric and color selections from our collection.
- **Stitching:** Clean, tailored seams follow the curvature of both the seat and backrest arc for a precise and refined finish.
