Product description

Smooth Upholstered Wooden Bench LGS-5 CASABLANCA-2306

- · A functional and practical bench for hallway, living room, bedroom, dressing room, bathroom, reception and office
- Some bench models have a practical shelf for shoes
- The frame and upholstery are made of the highest quality materials
- Production of the bench according to customer requirements

Product features

- Very high-quality and precise workmanship directly from the manufacturer
- The bench features an interchangeable seat to adapt the product to the future appearance of the room
- The bench does not require self-assembly and is delivered to the customer in its entirety
- Take a look at our fabric palette for more options
- We are at your disposal if you have any questions about the product
- By purchasing a product, you are buying a non-prefabricated item made according to specifications (selection of color, upholstery, materials, etc.)

About us

The Emra Wood company has been on the market since 2017. All products, which are handcrafted, are characterized by their aesthetic appearance and, above all, functionality at a high level. We haveour own joinery and paint shop, as well as a well-trained team of professionals. We always try to meet the expectations of our customers. We use a wide range of high-quality upholstery materials of domestic and foreign production, which, combined with professional assembly, ensure their long-term functionality. Our company offers professional advice at the highest level. Our products are always tailored to individual requirements and needs.

WE DESIGN

We combine proven solutions with the right amount of inspirational creativity, which is why each of our projects is so unique.

WE IMPLEMENT PROJECTS ACCORDING TO INDIVIDUAL NEEDS

At the same time, we make full use of modern technologies, not forgetting about the technique of manual woodworking, which carpenters have been using for generations.

WE CONSULT AND ARE PROUD OF OUR WORK!We share our many years of experience with our customers so that the end result exceeds initial expectations. The products we manufacture are functional, aesthetic and made from the highest quality materials.
